

JERICHO PRAYER MARCH

THE SECOND TRUMPET SOUNDS

In the all-powerful authority and name of Jesus Christ I command every tower of evil around Donald Trump to fall. I have power and authority to destroy you, defeat you, and cast you down.

I command every evil attack against the president to implode now!
Explode in Jesus name!

I decree division in the enemy camp.

I decree conflict, confusion, and disunity in the enemy camp.

I decree the collapse of the enemy camp. A complete end to your evil power!

I break every plan and plot to destroy Gods chosen president.

I decree: every evil media Haman will be hung on the gallows of his own tongue.

I decree: every evil word from the mouth of the enemy will be silenced.

I decree: truth will outshine lies and light will outshine darkness plaguing every media platform.

I bind every social media snake hissing against the truth.

The sword of the Lord is against you!

The sword of the Lord will smite you!

The sword of the Lord is speaking. Victory! Victory! Victory!

In Jesus name, **Victory!**

Amen!
