

JERICO PRAYER MARCH

THE THIRD TRUMPET SOUNDS

In the all-powerful authority and name of Jesus Christ I command every tower of evil around Donald Trump to fall. I have power and authority to destroy you, defeat you, and cast you down.

Satan, **I command you to fall from heaven** over the Whitehouse. I bind the ruling prince of darkness in the heavenlies over Washington DC in Jesus name.

I cast you down! I cast your legions down! Lies and darkness, **fall!** Enemies of God, **fall!** Servants of wickedness, **fall!**

I release the fire of heaven upon you! I release fire to consume every enemy work inside the Whitehouse and in every branch of government. **I shut the mouth of the serpent media**, and instead, command the voice of truth to shout from the roof tops; **Christ is King!**

The banner of the Lord of Hosts has been raised up against you. The trumpet of our God and His voice of thunder speaks against you. The mighty in battle have come to cast you out!

I Crown Christ as King! The Lord God Almighty reigns!

Amen!
