

JERICHO PRAYER MARCH

THE SIXTH TRUMPET SOUNDS

I come against the rulers of the darkness of this world plotting to overthrow President Donald Trump. I come against you swiftly, clothed in the armour of God with a powerful two-edged sword in my hand. I break your attacks and bind you with fetters of iron. I drive you out in the all-powerful authority of Jesus name.

With the finger of God, I cast you down! I destroy you over the political process. I destroy your weapon of lies and deception with the shining sharp two-edged sword of God's Spirit. **All eyes open now! All eyes see!** Open in Jesus name! Let God arise and His enemies be scattered.

I destroy the demonic spirit weaponising government institutions in the service of satan. **Goliath, I strike you!** Goliath, I cut you down to the ground. I strike you in the forehead with the rock of God! The rock of authority, the Word of God. **Light break forth in Jesus name!**

I take the keys of Kingdom authority invested in me by Jesus Christ and cast your plans of wickedness to the ground. I strike you with the rock of God. Plans of darkness Fall! Fall! Fall now and disintegrate at the command of Jesus Christ! **Plan of God, Arise! Plan of God, Explode! Sweep away darkness and let there be light!**

I assault the ruling demon prince over Washington DC with the sword of the Spirit. I slice your tentacles of power. I break your power lines. I slash your plots and schemes into a thousand pieces.

I declare the mighty victory of God. I declare the mighty victory of His plan of Light. The King of Kings reigns. the King of Kings rules. **The King wears the crown.** The King has triumphed victoriously and the horse and rider have been thrown into the sea. Amen!
