HEALING OF MEMORIES - PRAYER

Thank you, Holy Spirit, you were sent to "bring all things to remembrance" that Jesus wants to heal, and "to lead and guide me into all truth", so that your "truth can set me free". As the all-knowing (Omniscient) and everywhere present (Omnipresent) God, you were there in every minute of my past and in every memory I have ever had. You died to heal me from the evil in every memory. You healed that memory of evil in each bad experience and every event from the past. Holy Spirit, lead me now, shine your light on the bad / painful memory of _____. Reveal your healing truth in this memory. I renounce all fear of looking at this memory and all fear of pain in the memory, because Jesus is walking with me and His healing Spirit is over me, protecting me and delivering me from all evil, so I can be released from it.

I command all demons and guardian lies to stop blocking these memories and feelings as I walk into them with Jesus holding my hand. Reveal every memory that needs your healing Holy Spirit.

I surrender fully to your guidance and open my mind, heart and all emotions to you. Show me my primary emotions and source of my pain. I give you full permission to reveal memories in any part of me, no matter what they are. I am in your hands and by faith,
 I believe that you will heal me in the memory that you choose.
 In Jesus wonderful name – Amen.

"I AM THE LORD THAT HEALETH THEE" Exodus 15:26
