

INJUSTICE AND UNFAIR TREATMENT OF OTHERS

In Jesus name I choose to lay down all my rights to be treated with justice and fairness. Jesus suffered all my injustice on the cross and was crucified for all the unfair treatment in my life. I will no longer waste His shed blood for me by demanding that others must treat me fairly.

Instead, I will join Jesus who gave up all His rights to justice to save me. I hand over all the pain of injustice and unfair treatment to Him as my pain bearer. I honor His sacrifice to set me free from injustice by laying down all my rights to justice from anyone except Jesus alone.

I refuse to demand justice from anyone. I willingly accept **all** unfairness and honor Jesus sacrifice for me instead. I lay down **all** my rights for any justice / fairness in this earthly life and join with Jesus on His cross, sharing all my injustices with Him, and bringing joy to His heart that His blood was not wasted on me. I will reward Him by laying down **all** my rights to fair treatment forever in Jesus mighty name.

Amen!
