

# REJECTIVE BEHAVIOURS

---

**DEFINITION:** Rejective behaviours are areas where your old mind directly cooperates and submits to the unclean spirits lies. It is an act of fellowship with the satanic spirit of rejection where you are welcoming it's lies and presence as a friend. In a rejective behaviour you are wilfully co-operating with this satanic spirit to unlock invisible doors and allow blatant abusive and sometimes violent attacks upon yourself and others.

The rejective behaviour patterns must be replaced by the behaviour of the ***new mind in Christ that refuses to co-operate with it as an enemy of God.***

## **PRAYER**

Lord Jesus, I confess that the rejective behaviour of \_\_\_\_\_.

Is a satanic nature and evil in your sight. Please forgive me for inviting this spirit's lies in and repent of allowing it to live in me and use me. I choose to cut it off now, in Jesus name and never again allow it's presence, lies and behaviours to be a part of my life. ***Jesus alone is my life, my God and my Saviour.*** There is no longer any room for you in my mind or actions, in the mighty name of Jesus.

Any act of rejective behaviour is sin. Rejective behaviours connect me to a demon. In a rejective behaviour you are actively connecting to a demonic spirit. You are actively questioning and searching for it's lies, inviting it to use you for it's own unclean purposes. ***Instead, search for God's mind in every situation and see God, instead of the Devil's lies of darkness to wound, hurt and destroy faith.***
