

THE SPIRIT OF REJECTION

Rejection is the heart of the Satanic nature. It did not originate with God, but arose when Satan chose to willfully turn his back on God. It was Satan's first response to God when he sinned and became the evil heart that has motivated and driven him ever since. To experience and accept rejection is to have Satan's life in you and to willingly fellowship in his nature instead of rejecting it as Jesus did. The basic nature of rejection is to block and destroy close relationships. It undermines relationship with God in the process, so that relationships with people and God suffer break down. This destruction of relationship ultimately manifests as murder. Satan, the first one to carry a spirit of rejection is called "a murderer from the beginning" because the spirit of rejection in him drove him to destroy relationship. Cain received a spirit of rejection because of disobedience and murdered his brother. Rejection kills relationships, starting with your relationship with God. It's a relationship killing spirit.

Relationship is built upon lies which are created to justify its continuing existence in a person's life. It relies on lies for its life. (e.g., lies in the form of excuses and justifications for feeling rejected etc. "how dare they treat me like this")

1. REPENTANCE

At the cross Jesus bore your rejection in full. "He was despised; rejected and forsaken by man... as one from whom men did hide their faces" (ISA 53:3).

When he took your sin, he was taking your rejection, which is sin.

Therefore:

I RENOUNCE THE SIN OF REJECTION COMPLETELY AND REFUSE TO RECEIVE ANY LIE THAT SAYS I AM JUSTIFIED IN FEELING REJECTED NO MATTER WHAT ANYONE DOES OR SAYS. IT'S THE SATANIC HEART OF SIN AND REFUSE TO TOLERATE IT IN MY LIFE.

PROCLAIM

I am a new creation – and the spirit of rejection is not a part of my new nature. It lives only in the old sinful self which Jesus crucified on the cross. In my new nature rejection does not exist.

It lives on only through my old mind and my old past and can only stay alive if I allow it to continue living its lies through me and through my behavior.

The new me in Christ is 100% free from all rejection, because “I am accepted in the beloved”. Christ has accepted me 100% and I can never be rejected by him. I am free and I have authority to destroy every evil operation of the satanic rejection nature and trample it under my feet. I rein over it in Christ, it does not rein over me. I enforce the victory of the cross against it, I choose to defeat it and I choose to prevent it from using me for its evil work.

2. PRAYER

Lord Jesus, I ask your forgiveness for believing and receiving satan’s lies of rejection. I know they are evil, destructive and unclean in your sight. Instead, I accept your truth that I am perfectly accepted and perfectly free in Christ.

I renounce and reject satan’s lie that I am _____.

Instead, I believe God’s truth and God’s truth alone. Amen!
