

APOCALYPTIC PROPHECY

This prophecy came unexpectedly in the apocalyptic genre, the same genre as the book of Revelation. "Apocalypse" means 'to unveil, reveal, make known that which is hidden'.

Apocalyptic prophecy is a crisis call from heaven to the saints on earth to rise up and engage in a unique form of intercession called "**spiritual warfare**". Apocalypics unveil invisible angelic warfare in the spirit realm in the second heaven which is driving and inspiring evil events taking place on earth.

Spiritual warfare is Christ's first and preeminent mandate to the church (Matt 16:18), the casting down of "principalities and powers in heavenly places" ruling the destinies of governments and nations. Unless the heavenly warfare is won, earthly victories of any magnitude do not come to pass.

Apocalyptic prophecy needs an interpretation of the message hidden beneath the surface.

INTERPRETATION

"Do you not know the time saith the Lord? Do you not know the day? Do you not know the hour saith the Lord?"

This echoes the words of Jesus in Luke 12:56. "**How is it you do not discern the time?**" Jesus made this statement to open their understanding of an event of great spiritual and historical magnitude which was unfolding right before their eyes, and yet they were completely unable to perceive it, just as many of today's Christians lack spiritual sight into the spiritual realities unfolding in our time.

"The children of Issachar were men that had understanding of the times to know what Israel ought to do"

1 CHRON 12:32. Spiritual sons of Issachar throughout the body of Christ, sound the alarm to the church concerning the great spiritual war in the heavenlies now raging on the earth.

HOS 4:6 says "My people are destroyed for the lack of knowledge".

PROV 29:18 says "Where there is no vision the people perish".

The burden of the Lord is to remove blindness and restore spiritual sight in this season, to open all eyes to the spiritual realities invisibly at work destroying nations and peoples. Their destinies are in the hands of one single nation on earth, the nation of Christ, the church.

History and destiny will be decided by how the church prays in this hour.

“Awake O Israel, put off thy slumber, and the truth will set you free”.

“Let us therefore not sleep, as do others, but let us **watch!** (1 THESS 5:6)

Only an eye that is open can watch!

“This is the time! This is the day! This is the hour! Saith the Lord of Hosts”.

This is the time of the prophesied war, the spiritual war, world war III, the Armageddon in the heavenlies, the great satanic strategy to destroy Christian nations and Christian faith in the earth.

This is the time to stand with Jesus and His angels and fight! To fight with Jesus! To fight for Jesus!

“Let the saints be joyful in glory: let them sing aloud upon their beds. Let the high praises of God be in their mouth, and a two-edged sword in their hand; To execute vengeance upon the heathen and punishments upon the people; To bind their kings with chains, and their nobles with fetters of iron; To execute upon them the judgment written: **this honour have all His saints.** Praise ye the Lord”. PSA 149:5-9

A crown can only be worn once an enemy has been defeated.

Church! It's time to crown your King!

Victory is the crown you must place upon the head of Jesus in this war!

“Beat your plowshares into swords and your pruning hooks into spears. Let the weak say I am strong”. (JOEL 3:10)

Let the great prayer march of the church of Jesus Christ begin! “Men of war, fit for the battle, that can handle shield and buckler, whose faces are like the faces of lions and are as swift as deer upon the mountains. (1 CHRO 12:8)

“Pray! Release my victories! Release my victory! Christ holds complete victory in His Hand. However, until the prayers of the saints are mixed with incense and hot coals of fire from the alter of God, that victory will not be released.

“Lift up your sword to the heavens. Pray!” “whatever you bind on earth will be bound in the heavenlies”. We have been given the keys by Christ Himself. Now we must use them, with all of our heart, mind, and soul.

“Open eyes!” is the proclamation. As eyes open, darkness dies, lies fall, evil disintegrates. “God is light”. Light is needed. The army needs eyes. The greatest battle in our time depends upon our eyes. It will be won by one nation, the nation of the Holy Spirit, the nation of the church, marching in the spirit with Jesus and His armies

of angels. The church arrayed in the full armour of God, with a heart of fire and a will of iron will decimate every power of darkness in the land.

Jesus long ago gave this mandate to His church but it has fallen by the wayside.

Pick up this priceless mandate and march!

“The red dragon” is the servant of the serpent, a communist monster of bloodshed and murder, China, breathing out its fire to deceive the nations.

“The serpent” Is satans demonic angelic hierarchy ruling the spirit realm on a higher level than the red dragon. Its chosen strategic weapon is the antichrist of godless socialism slithering through the shadows of the deep state in western Christian democracies. Its long march to replace Christian democracies with godless socialist states will eventually enable it to annihilate Christianity from the face of the earth. But its demonic goal will collapse and its long march will end abruptly as another superior march arises, the march of Christs’ superior army, the church. The red dragon will fall first followed progressively by the serpent

“which lingers on hiding in your land” Its deeply entwined roots reflect its higher level in the spirit realm and it will take years of spiritual warfare to expunge its coils. Shocking revelations will surface continuously throughout the war, like judgments raining down from heaven. Evil leaders will fall and be displaced by godly leaders.

“It’s speaks lies in public,” so will it also be exposed in public openly, and hung upon the gallows of its own tongue.

“It has a name. It has names” Its name is the serpent, but **its names are many** – the godless socialist state, deep state, globalism. Its’ many tentacles are found in every layer of society, politics, education, media, government institutions, judicial courts. Its names include the names of its leaders across the world.

“The serpent is wounded!” Since the beginning of Brexit and Donald Trumps presidency, the serpent powers have been slowly losing ground. **The epicentre of the war is the Whitehouse** of the leading Christian nation. Its defeat on this front will create a domino effect which will spread victories across all Christian nations around the globe. **As the wounded serpent manifests more violently, it will fall more violently.** The higher its peak of evil, the greater will be its fall.

“Lift up your sword to the heavens. Pray!” The Christian nation alone will decide this war. The sword in its hand is the **Word of God**. The arms which wield the sword are **the arms of prayer!**
